Dear Parents/Guardians, Staff, Community,

The Board of Management has now considered the Primary School survey results and reviewed feedback from parents, staff and the wider community.

After careful consideration, and noting the overall preference expressed in the survey results we have decided not to explore a change in configuration for St. Conleth's Infant School.

Thank you again for your engagement and support,

Kind regards,

Pat Lonergan,

Chairperson

Board of Management

Anne-Marie O'Connor

Principal
